Story of Tea Valley

The mighty river Brahmaputra while crossing the Himalayas carved a valley, what we know as Assam Valley today.

It's recognised as the land of tea, where the finest teas of the world are grown.

The high rainfall in combination adds character to the tea and gives birth to the finest estates.

It is from these estates that these teas are handpicked, sourced and blended by our experts to create the brand, Tea Valley.

Tea Valley

Tea Valley Original is a selection and blend of 100% original Assam tea enriched with aromatic orthodox long leaf and the finest crème de la crème of CTC teas grown in the valley. You get the best flavour along with the maltiness / thickness of "Good" Assam CTC and enjoy a truly original tea drinking experience.
